## ABOUT ME

I'm a passionate and dedicated full stack web developer with hands-on experience in building responsive and interactive web applications. I am proficient in HTML, CSS, JavaScript, React.js, and Node.js. I enjoy solving real-world problems through clean, maintainable code and continuous learning. I am passionate about creating user-focused digital experiences, and I thrive in collaborative environments, taking pride in delivering high-quality solutions.

## EDUCATION

### BACHELOR OF ENGINEERING – INFORMATION TECHNOLOGY

P.S.V College of Engineering and Technology  
2021 – 2025

### HIGHER SECONDARY CERTIFICATE (HSC)

Holy Cross Higher Secondary School  
2020 – 2021

### SECONDARY SCHOOL LEAVING CERTIFICATE (SSLC)

Aakash Vidhyalaya Matriculation High School  
2018 – 2019

## TECHNICAL SKILLS

- HTML
- CSS
- JAVASCRIPT
- REACT.JS
- Bootstrap
- Node.js
- SQL

## CERTIFICATIONS

- Udemy: The Complete 2023 Web Development Bootcamp
- INTERNSHIP @ WMP CREATIONS

## PROJECT

### • **E-COMMERCE WEBSITE:**

Developed a fully responsive e-commerce website (Furniture Store) using HTML, CSS, and JavaScript, featuring dynamic product listings, an interactive user interface, and a functional shopping cart system.

### • **YOUTUBE-CLONE**

Built a responsive YouTube clone using HTML, CSS, and JavaScript that replicates core UI elements such as video thumbnails, search functionality, and video playback layout, providing an immersive user experience.

### • **CURRENCY DETECTION AND VOICE ALERT SYSTEM FOR THE VISUALLY IMPAIRED USING CNN**

Designed and implemented a CNN-based system to detect Indian currency notes through a webcam and provide real-time voice alerts, enhancing accessibility for visually impaired individuals.

## INTERNSHIP & ACHIEVEMENTS

### APOLLO COMPUTER EDUCATION LTD

Interned at Apollo Computer Education Ltd, where I gained practical experience in front-end web development using HTML and CSS. I created responsive and user-friendly web pages, enhancing both my coding and problem-solving skills.

### INTER-COLLEGE COMPETITION

Participated in an inter-college competition at PMC College of Engineering and Technology on the topic "IoT in Agricultural Systems" and received a Certificate of Appreciation for both the project and presentation.
